PRESENTATIONS:

Danni Schaust - GT Environmental-20-Year Materials Management Plan update progress report Presentation summarized the status and upcoming milestones of the plan’s construction, how data from local programs will be used, and how recommendations may be tied to funding and state requirements. Board questions focused on timelines, reporting, and coordination with local partners; no action was requested.

Julie Pellar, Plastic Reduction Alliance - Brief overview of local plastic pollution issues and touched outreach opportunities to encourage reduction of plastic waste; informational only—no action requested.

OLD BUSINESS:

3. Board and Committee Reports:

- a. **Chairman** – Chairman Long – Thanked the Board members who have attended and continue to attend. Ongoing concern with member attendance and potential approaches to improve consistency. Gas reimbursement mentioned as a possible solution to attendance issues.
- b. Executive Director – Please see the attached report.
MOTION to approve the September 18, 2025, Executive Director’s report made and seconded. **Motion passes** by unanimous voice vote.
- c. **Citizens Advisory Committee** – Clair Hoeksema reported the CAC held a meeting on September 11, 2025. The Committee went over the Requests for Proposals; everything looks the same.
- d. **Grant and Finance Committee** – Vice Chairperson Cid inform the Board they have not met. Cid asked if the grant distributions were for a full year, and Executive Director Hagerman confirmed they were.
- e. **Legislative and Legal Report** - Attorney Touchette – Vehicle incident (Toyota Tundra, 87th Ave/frontage road): Attorney Touchette summarized the incident; per Merrillville Police, the other driver failed to yield, struck the district vehicle, then was cited for no insurance and a suspended license. Mr. Taylor (District driver) was uninjured; three occupants of the other vehicle were transported. Cincinnati Insurance authorized repairs and is handling the tort claims received September 11, 2025; counsel will assist as needed.
Facility space – potential lease: The Board discussed leasing the unused front suite (separate entrance and restroom). Counsel outlined options under IC 36-1-11: (1) lease to a nonprofit (501c)—negotiated rent; (2) lease to a governmental entity—negotiated rent; (3) RFP with appraisals—advertise with specs, obtain two licensed appraisals; (4) Alternative RFP—negotiate terms without appraisals. Informational only; no action taken.

Respectfully submitted by Dora Mantis, Office Administrator.

Education

As the school year begins, our educators have more new and improved programs. Bella took a position with another organization which allows her to be outdoors more and closer to home. We welcomed Dan in early August to replace her.

Field Operations

We are still doubling participation from last year at each one of our household hazardous waste collections. Our next collection is this Saturday at the Hammond Public Works from 9 am -1 pm. Our last collection of the year is October 18 at the Griffith Public Works facility also from 9 am -1 pm. Shredding is available at both events.

Our next paint collection is scheduled for Nov. 1 here at the District Office from 9 am -1 pm.

Looking ahead to our Leaf Drop Program, the Lake County Highway Department requested that we remove the dumpster for that program from their facility in the spring so we contacted the Town of Lowell to see if they had another location where we could place the dumpster. They said they did not. So, we will be putting our 4th dumpster for that program here at our office this year.

This year, we have had 350 residents come out for free compost and have sold over \$10,000 in compost to landscaping companies.

Administrative Report -

20-year plan update work with GT Environmental is underway as you heard earlier. We are still in need of a few board members who are interested in helping with the process. If you are interested, please let me know.

Website updates are progressing. Von has been working with americaneagle and will give further updates.

We have several staff members attending conferences, workshops, and trainings during October. Von will be attending the annual americaneagle.com Forum in Des Plains, Sarah will be attending the Environmental Educators Association of Indiana conference, and I will be going to training for controllers through our Keystone software and the Association of Solid Waste Management District's annual conference in Brown County.

We did receive proposals for all 3 of our large programs following the release of the RFPs in June. The resolutions included in the board packet are recommendations for awarding the contracts. Resolution 2025-10 is for our Electronic Recycling Program. After reviewing all proposals, it is the recommendation of staff to award the contract to Green Wave Electronic Recycling, who is our current contractor. As you can see from the comparison of a recent bill, Green Wave is the lowest responsive and responsible bidder. Resolution 2025-11 is for our HHW Collection program. After reviewing all proposals, it is the recommendation of staff

to continue with our current contractor, Tradebe, for the new contract. We did receive 2 other bids, but both were significantly higher in costs. Finally, Resolution 2025-12 is for the Tire Recycling Program. We did receive 2 quotes this year. Liberty, our current contractor, was about \$1000 more per pickup than the other quote, K&S Tire Recycling. Therefore, it is the recommendation of staff that contract be awarded to K&S Tire Recycling.

Also included in your packet is the Invitation for Quotes for the annual grinding of compost material. While the IFQ does state 2 weeks and a not to exceed of \$50,000, Troy is confident that we won't need more than a week which is consistent with the last few years. I would ask the board to approve the release of that IFQ.

Education Report

September 18, 2025 – November 20, 2025

We taught 1202 students and adults combined since the last board meeting. This includes adults, grade schools and high schools.

We have scheduled programs in all but 2 public-school corporations in Lake County at various grade levels this year. These include Enviromobile programs and field trip programs here at the center.

We have taught and scheduled 7 adult programs at various libraries and adult learning centers.

**Reuse Room Distributions since last meeting:
688 pounds**

We have also scheduled 8 non-public schools and have scheduled home- school field trips here.

The Halloween Swap Shop was opened for costume and accessory swapping. We had 38 families come into swap.
