PUBLIC COMMENT: No Public Comment

OLD BUSINESS:

Chairperson's Report: Chairman Richard Long would like to thank everyone for coming. It is important for board members to respond to emails and attend meetings. We cannot conduct business if we do not hold meetings. If anyone does not want to be on this board, please talk with your appointing officer and ask them to appoint someone else. Jeanette Romano commented that we have been looking into the possibility of having an executive committee, offering stipends, or withholding recycling grant dollars in order to conduct business and to increase attendance at board meetings. An executive committee would meet twice annually. Jeanette asked for a committee of 3-5 members to discuss possibilities. It was mentioned that mayors can appoint a proxy or communities may appoint all of their council members so that an alternate may attend a meeting in the event the appointed member cannot attend. Members who are appointed by their public works do not have this option. This issue will be revisited at our January meeting in case there are changes to membership with the new year.

Executive Director's Report – Jeanette Romano –

Compost grinding total cost was \$25,608 (not to exceed was \$40,000). Grinding was completed quickly. Education area is still under development, but we are getting close. We will be finished by the end of the year.

RFPs/IFQs for 3 programs were sent out:

Household Hazardous Waste-We received one bid from Tradebe (current contractor). I recommend that the board award a 1-year contract (with 2, 1-year renewable options) to Tradebe as the lowest responsive and responsible bidder and allow the Chairman to sign the contract pursuant to Resolution 2022-18. I am also asking the board to ratify Resolution 2022-17 which will adopt the Request for Proposal.

MOTION to approve and ratify Resolution 2022-17 by Councilmember McCain, seconded by Councilmember White. **Motion approved** by unanimous voice vote.

MOTION to approve Resolution 2022-18, contract award, by Councilmember Marker, seconded by Councilmember McCain. **Motion approved** by unanimous voice vote.

Tire Recycling- We received one bid from Liberty Tire Recycling (current contractor). I recommend that the board award a 1-year contract (with 2, 1-year renewable options) to Liberty as the lowest responsive and responsible bidder and allow the Chairman to sign the contract. I am also asking the board to ratify Resolution 2022-15 which will adopt the Request for Proposal.

MOTION to approve and ratify Resolution 2022-15 by Councilmember Weatherspoon, seconded by Councilmember McCain. **Motion approved** by unanimous voice vote.

MOTION to approve Resolution 2022-16, contract award, by Councilmember McCain, seconded by Councilmember Weatherspoon. **Motion approved** by unanimous voice vote.

Electronics Recycling- We received 2 bids, ERI and Green Wave Electronics. Even though Green Wave charges a transportation fee, their overall costs are considerably lower when credits that we receive are factored in. I recommend that the board award a 1-year contract (with 2, 1-year renewable options) to Green Wave as the lowest responsive and responsible bidder and allow the Chairman to sign the contract. I am also asking the board to ratify Resolution 2022-13 which will adopt the Request for Proposal.

MOTION to approve and ratify Resolution 2022-13 by Councilmember McCain, seconded by Councilmember Schilling. **Motion approved** by unanimous voice vote.

MOTION to approve Resolution 2022-14, contract award, by Councilmember White, seconded by Councilmember Marker. **Motion approved** by unanimous voice vote.

Legal/Legislative- Southlake Mall Tax Refund. The county has negotiated with the mall and a settlement has been reached. The county is going to make payments totaling about \$20 million. \$9 million will be paid on December 15, 2022, and then another payment of \$11.5 million will be paid in January to the owners of the mall. The District will be responsible for \$76,387 which will be paid on December 15 and come directly from our tax draw. Another payment in the amount of \$76,387 will be made in June 2023. Our last payment of \$36,094 will be made in December of 2023.

Addendum to Compost Site Agreement- The amount of the lease has increased to \$1102.50/year.

MOTION to approve Compost Site Agreement by Councilmember Stokes, seconded by Councilmember Swallow. **Motion approved** by unanimous voice vote.

Leaf Collection - Collection for this year is almost complete. This has been a rough year for our contractor due to threats and intimidation, but they have done a great job. As of December 1, 473 loads have been collected. The program will end December 2, 2022.

Resolution 2022-12: Awarding the Contract for Grinding of Compost Material

MOTION to approve and ratify Resolution 2022-12 made by Councilmember Cid, seconded by Councilmember McCain. **Motion approved** by unanimous voice vote.

Citizens Advisory Committee- Committee met on January 10 and discussed issues that covered the last 6 months. Everything looks good and the committee has no concerns.

Finance/Recycling Grants Committee-no report
