

REUZ ROOM

DONATION LIST

The success and continuation of this program depend on you. Please respect this list and be sure items have been thoroughly cleaned. While it is nice to continue to make use of old things, we are not a thrift store or large donation center. We simply do not have the space to store or the staff to accept and organize large donations. LCSWMD Staff can provide you with additional donation options.

10/2023
