OLD BUSINESS:

3. Board and Committee Reports:

Chairman Rick Long - Thanked everyone for coming out so we have a quorum to conduct business.

Executive Director – Jeanette Romano - Please see the attached report.

MOTION to approve March 22, 2024, Executive Director report by Councilmember Kopil, second by Councilmember Nellans.

Motion passes by unanimous voice vote

Citizens Advisory Committee – Clair Hoeksema, Chairman of the CAC, discussed the application to search for new members to the CAC. Discussion concerning joint meetings between CAC and the Board, twice a year, according to statute. Determination was made to conduct a joint meeting prior to the next board meeting at 5:30 pm. Further discussion was held.

Discussion was held amongst board members concerning curbside recycling. The City of Portage and the City of Hobart eliminated their curbside recycling programs, due to contamination and costs. The City of Hobart will continue to have recycling containers at the Public Works Department where residents can bring their recyclables. It was mentioned that other communities are looking into their curbside recycling programs.

NEW BUSINESS:

Citizens Advisory Committee

The committee met this week and a report will be given by their Chairman, Clair Hoeksema. Application for Citizen's Advisory Committee.

Education

Healthy House - As part of the education space and programming we would like to proceed with the last step of the center and have a replica of a home built. This replica of a home will be hands-on environmental education depicting waste reduction, recycling, household hazardous waste, solar energy, water conservation in a home, and more. Tonight, I respectfully request permission for the staff to send out an IFQ for design/build not to exceed \$8,000 and bring the responses back to the Board for approval.

Keystone Software

Kiera has worked with Keystone concerning the software re-install for payroll. Keystone has been very responsive to the District. While we experienced some setbacks, currently all is going well!

Compost Facility & More

District staff began a new program this month offering free compost to residents by appointment only. Residents can obtain ½ cubic yard per household (that is 8, 5-gallon buckets).

Vehicle

After two years on the budget, the District purchased a new truck for field programs. We traded the 2013 Chevy Silverado in for a 2024 Toyota Tundra. The District paid \$52,730, which includes 100,000 mile 10 year warranty (engine, powertrain and more).

Grants & Finance Committee

Committee members will be contacted next week to set a meeting date and time; tentatively we have selected April 16th.

Administrative Report

All IDEM and State of Indiana reports through Gateway were completed on time. Education and all programs are in great operation.
